Item Specifics[Condition:](#) **Used**

For Sale - Incompetent football manager/coach Graeme Souness

The current Newcastle United Football club manager is now surplus to requirements, with it becoming obvious that a blind, half-dead ferret could actually bring better results to the club at present.

This used and slightly damaged item comes without its famous moustache, and is completely devoid of any tactical nous or understanding of the modern game. However, there is still much of its original '**bad attitude**' left - this item will sack and sell any players it does not agree with, and will ensure your team gains many, many bookings.

I will even throw in a **free** set of training ground injuries, some on pitch team in-fighting and punchups, and a set of poor excuses (that can be repeated indefinitely when losing to mediocre opposition)

This item has had around **£60 million** spent on it in the last 18 months, and has not yet offered any return, except inspiring many new chants for the fans to sing, most of them containing the word "**out**"

Please note this item has **no professional coaching qualifications**, and was only given its place as manager due to the lack of other options at the time of appointment.

Also, check my other auctions! I'm selling some things that are actually **worth** something and won't destroy your favourite football team.

Yeah, i know theres loads of these dodgy schemes kicking about, I never sign up to them. but this is a different kettle of fish.

This company pays for the consoles by referring you sign up with one of their sponsors, where you need to set up an account.

Luckily one of the sponsors is **Betfair** - a pretty decent online bookies. **You don't have to give any card details or deposit any cash...**in fact, you can just sign up, then never use the account. And all you have to do is get 3 of your mates to do the same, and you'll get a free console. It's a no-brainer really! And it only takes about 3 minutes to sign up.

It can't hurt you to check it out, click this link www.consolegrab.co.uk

**OK - the consolegrab thing abaoe
- it DOES WORK :-)**

BBC Newsnight did a feature on them, it seems the console are all paid for through advertsiing and referrals by the companys doing the offers.

Don't sign up for betfair though, apparently you do have to bet £10 on that, but go for the FREE blockbuster DVD trial - simply sign up, dont actually borrow any DVD's, then next week cancel your account!

easy as pie.
